다운로드 파일 ⑤ Rocky Download

<https://rockylinux.org/download>

The screenshot shows the 'Download' section of the Rocky Linux website. At the top, it says 'Download the latest Rocky Linux versions here.' Below this is a horizontal bar with architecture options: 'AMD/Intel (x86_64)', 'ARM (aarch64)', 'PowerPC (ppc64le)', and 'IBM Z (s390x)'. Underneath is the 'Default Images' section. It includes a 'Select a version:' dropdown with 'Rocky Linux 9' and 'Rocky Linux 8' options. The 'v9.5' version is selected. Below the version, there are three green buttons: 'DVD ISO', 'Boot ISO', and 'Minimal ISO'. The 'DVD ISO' button is highlighted with a red box. A red circular callout with the text 'HERE CLICK' points to the 'DVD ISO' button. Below the buttons, there are links for 'Torrent (DVD ISO)', 'CHECKSUM', 'BaseOS Packages', and 'Archived Releases'. A blue arrow points from the 'Torrent (DVD ISO)' link to a grey box containing the filename 'Rocky-9.5-x86_64-dvd.iso'.

Download

Download the latest Rocky Linux versions here.
